

After You've Gone (Bb)

Can't believe we're breakin' up.
Ain't no chance we're makin' up.
Baby, don't treat me this way (this way)
(Cause you're) You're gonna be lonely some day.

After you're gone and left me cryin',
After you're gone, there's no denyin'
you'll feel blue, you'll feel sad.
You'll miss the dearest pal you've ever had.

Now, there'll come a time, now don't forget it.
There'll come a time when you regret it.
Someday, when you grow lonely,
your heart will break like mine and you'll want me only
after you've gone, after you've gone away.
(you've gone away.)

(And so, there'll)
There'll come a day when you will miss me.
Remember the day when you could kiss me.
One day you will grow lonely.
Your heart will break. You'll want me only
After you've gone, After you've gone a way,
Gone away.

You told me goodbye, now it's your turn to cry.
After you've gone (after you've gone) away,
gone away.

Cheers (Where Ev'rybody Knows Your Name) (Bb)

(Doo doo doo doo doot doo doo...)

Makin' your way in the world today
takes ev'rything you've got.

Takin' a break from all your worries
Sure would help a lot.

Wouldn't you like to get away?

Sometimes you want to go

Where ev'rybody knows your name. (doo doo doo doo...)

And they're always glad you came.

You wanna be where you can see

Our troubles ae all the same.

You wanna be where ev'rybody knows your name.

You wanna go where people know

The people are all the same.

You wanna go where ev'rybody knows your name.

Dream a Little Dream of Me (G)

We meet at evening time.
'Tis sweet at evening time,
when I can spend an hour or two
just with you.

And when the hour grows late,
I love to hesitate. (Oh)
The moments seem so fleeting,
while I am here repeating:

Stars shining bright above you,
night breezes seem to whisper I love you,
birds singing in the sycamore tree,
dream a little dream of me.

Say nighty night and kiss me, (now, just)
just hold me tight at tell me you'll miss me.
While I'm alone and blue as can be,
dream a little dream of me, you'll see.

Stars fading, but I linger on, dear,
Still craving you kiss. (your kiss)
Now I'm longing to linger till dawn, dear,
just saying this:

Sweet dreams till sunbeams find you,
Sweet dreams to leave all worries far behind you.

But in your dreams, whatever they be,
dream a little dream,
scheme a little scheme,
dream, (dear dream) a little dream of me,
(Sweet dreams and darling)
dream, dream a dream of me.

Hey, Good Lookin' (C)

Hey, hey, what do you say?
Meet me in the kitchen today, today!
Hey, hey, good lookin' (tell me)
whatcha got cookin'
How's about cookin' somethin' up with me?

Hey, hey, sweet baby,
don't you think maybe
we could find us a brand new recipe?

I got a hot-rod Ford and a two dollar bill,
and I know a spot right over the hill.
There's soda pop, and the dancin's free.
So if you wanna have fun, come along with me.

Hey, hey, good lookin (say what)
whatcha got cookin'
How's about cookin' somethin' up with me?
no one but me? (See)

I got a hot-rod Ford and a two dollar bill,
and I know a spot right over the hill.
There's soda pop, and the dancin's free.
So if you wanna have fun, come along with me.
We'll have a hot time; Just wait and see.

Hey, hey, good lookin', whatcha got cookin'?
Smells real sweet, now. Time for a treat now.
How's about cookin' somthin' up?
Come on, let's mess the kitchen up.
How's about cookin' somthin' up with me, me?

Can't you see?
You're my desire, what I require.
You set my ever-lovin' soul on fire, on fire!
(How I admire)

Good, good lookin', look my way.
Good lookin', hey, hey, hey,
Hey, hey, hey!

I Don't Mind Being All Alone (Bb)

When I'm alone, I'm not sad.
As a matter of fact, I am glad.
When I'm alone, I'm not blue
As long as I'm alone with you, my honey.

Chorus 1

I don't mind being all alone
When I'm all alone with you (with you).
You're the kind I've tried hard to find.
You make all my dreams come true.

In a crowd I feel mighty proud,
But when you're not there I'm lonesome.
I don't mind being all alone
When I'm all alone with you (with you).

Chorus 2

The sun may shine, the rain may fall,
I don't even care at all
When I'm all alone with you.
(nobody else but you)

Some gals are short and some are tall,
I never look at them at all.
You make all my dreams come true.
(all of my dreams come true)

In a crowd I feel mighty proud,
But when you're not there I'm lonesome.
I don't mind being all alone
When I'm all alone with you.
(doo-dle-ee doo-dle-ee doo-dle-ee doo, Bung bung!)

I Wanna Be Around (Db)

Wouldn't you know that it would be so fine
to know that your heart was broken just like mine.

You've been untrue and I say to you
just this time, just this one time.

I wanna be around to pick up the pieces
when somebody breaks your heart,
some, somebody twice as smart as I (twice as smart as I).

The somebody who will swear to be true
like you used to do with me,
who'll leave you to learn that mis'ry loves company.
Wait and see!

I wanna be around, to see how he does it
when he breaks your heart to bits.
Let's see if the puzzle fits, how it fits so fine.
Let's see how it fits so fine.

That's when you'll discover that revenge is sweet,
as I sit there applauding from a front row seat,
when somebody breaks your heart like you broke mine.

You broke mine,
I wanna be around, to see how he does it
when he breaks your heart to bits.
Why don't we see how the puzzle fits?
So fine, wouldn't that really be divine?

That's when you'll discover that revenge is sweet,
You'll see me there applauding from a front row seat,
when somebody breaks your heart like you broke mine.

It's true that you've been unkind
and there'll come a time,
Your heart will break like mine.
You've broken mine!

Mona Lisa (C)

In a villa in a little old Italian town
lives a girl whose beauty shames a rose.
Many yearn to love her,
but their hopes all tumble down.
What does she want?
No one knows.

Mona Lisa, Mona Lisa,
men have named you.
You're so like the lady with the mystic smile.
Is it only 'cause you're lonely
they have blamed you
for that Mona Lisa strangeness in your smile?

Do you smile to tempt a lover, Mona Lisa?
Or is this your way to hide a broken heart?
Many dreams have been brought to your doorstep.
They just lie there and they die there.

Are you wam, are you real, Mona Lisa?
Or just a cold and lonely,
Lovely work of art?
Mona Lisa, Mona Lisa (Mona Lisa)

Muskrat Ramble (C)

(Ra da da da da...)

Look at them shufflin', a-shufflin' down;
ramblin', scramblin', a-headin' for town.
Hustlin', bustlin' an' buzzin' aroun',
happily a-waitin' at the sation.

Look at the train, the number seven-o-nine,
huffin' and puffin' and arrivin' on time.
Who do you think's about to 'rive?
The band they call The Dixieland Five.

They're gonna play that Muskrat Ramble tune
like you've never heard it played.
Join in the big parade.
All together now,
one and two, join the happy throng.
Feel the beat of that ramblin', scramblin',
muskrat song, come on and ramble along.

Only You (Bb)

(Doo doo doo... doot! Yeah!)
Only you (it's you and only you)
can make this world seem right.
Only you (it still must be you)
can make the darkness bright.

Only you and you alone
can thrill me like you do
and fill my heart with love
for only you. (doo doo doo...)

Only you (yes, you and only you)
can make this change in me,
for it's true (you know it must be true!)
you are my destiny.
When you hold my hand,
I understand the magic that you do.
You're my dream come true,
my one and only you. (doo doo doo... doot!)

Oh! Only you (I'm sayin' it's only you)
can make this change in me,
for it's true (oh, baby you know that it's true)
you are my destiny.
When you hold my hand,
I understand the magic - that you do.
You're my dream come true,
my one and only you.

You're my dream come true,
my one and only you.
